

ALL MY HEART

by Gary Pailer

How can I love the Lord with all my heart?
Lord, help me learn to love You from the start!
I want to love the Lord, love Him all the time
With all my heart, strength, soul and mind.

Even when it's hard to do what's right,
Help me love You, Lord, with all my might.
I want to love the Lord, love Him all the time
With all my heart, strength, soul and mind.

God's Word can help us learn to do what's good
And God can help us love Him as we should.
I'll show I love You, Lord, love You all the time
With all my heart, strength, soul and mind.

With all my heart, strength, soul and mind.
With all my heart, strength, soul and mind.
